

# BOUTIQUE/CLOTHING GUIDELINES

## MISSION

Our goal is to make sure the patients are safe, comfortable and feel good about picking/choosing clothing for themselves. What a joy to bring so many smiles to their faces.

## GUIDELINES

Selecting (1) one patient from each unit once a week, that are need of clothing.

Patients will be able to get (4) items, as deemed appropriate.

Patients has to be compliant w/medication/treatment (attends scheduled groups/no negative behavior/otherwise specified).

Patients needs to have completed proper ADL's prior to coming to the boutique (i.e., showered, clean clothes).

Treatment team must be in agreement with selective patients.

Patients are allowed 15 minutes to shop and see what they need.

Patients are to be escorted by HA's to the boutique, who must remain with patients until they are finished.
